

Putnam County Rotary
Board of Directors Meeting
January 18, 2005

Board Members Attending: Don Broyles, Tom Midkiff, Mary Keely, Sam Sentelle, Peter Faulkner

Board Members Absent: Rick Slater, Cheryl Rust, Brian Wadsworth, Lana Newhouse-Taylor

Guests: Bob Keely

President Don Broyles called the meeting to order at 1:10 PM.

Don noted that he had received some complaints about the food recently at Sleepy Hollow and wanted to discuss some options. He had met with the new manager who is willing to work with us to satisfy our membership. The manager told Don that we could order from the menu each week, continue with the buffet or present another alternative. We discussed possible ways to "rearrange" our meeting agenda and still allow for an enjoyable lunch and program. The new manager and chef from Sleepy Hollow joined the meeting and discussed options for our lunch – a scheduled menu each week to be plated and served as members enter, order from the menu (usually sandwiches and salads), soup and salad bar with a hot entrée. The chef will prepare some menus and prices for the board to review.

Don read the names of two people who have applied for membership. Kelly Sain of BB&T is sponsored by Glenna Riggs and Bruce Kesler of Charter Business is sponsored by Scott Edwards. Motion was made and seconded to accept the applicants for presentation to the membership for approval as members of our Rotary Club. Motion carried by voice vote.

Meeting adjourned at 1:30 PM.
