

## THE OBJECTIVE OF ROTARY & THE 4 WAY TEST

The objective of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster;

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupation; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian's personal, business and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotarians are asked to live their lives by the four way test. It states: Of all the things we think, say, or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and better **FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## A Message from President Mike Herron

The Putnam County Rotary Club is one of southern West Virginia's most dynamic and successful service organizations. As president, it is both an honor and privilege to work alongside many of our county's community, business, education and government leaders to improve the quality of life here and on service projects around the world. The Putnam County Rotary Club adheres to the Rotary International motto of "Service Above Self." You may already be aware that members of our club can be found ringing the bells for the Salvation Army at Christmas, providing food for local homeless shelters, purchasing dictionaries/thesaurus for area middle schools, helping to fund local after school programs or sponsoring college scholarships for area high school seniors. But did you know that, internationally, Putnam County Rotarians have purchased a disaster relief Shelter Box to be used for humanitarian relief efforts around the world, sponsored building and construction materials for use by an orphanage in Uganda and have continued to financially support the Rotary Foundation's goal to eradicate Polio?

The Putnam County Rotary Club has enjoyed a proud tradition of service and leadership. This year, we are especially pleased that one of our members, Mary Keely, was selected as District Governor for the southern district of West Virginia. This marks the first time in our club's history that a member of the Putnam County Rotary has been selected for this important position.

## Mike's message continued
