Happy Holidays to All Rotarians!

The Putnam Rotary Club will again sell beautiful Poinsettias as part of our fund raising efforts this year. The response to our Poinsettia sale last year was terrific and we believe that by getting an earlier start this year our club members will be even more successful in helping to spread holiday cheer throughout the region.

These Poinsettias, available in a variety of affordable sizes and colors, make great gifts for employees, co-workers and valuable clients. Most churches, banks, hospitals, doctor offices and other high traffic businesses use Poinsettias during the holidays and we should make every effort to give them an opportunity to spread seasonal cheer by supporting our fund raising efforts. It's important to remember that funds raised through this project will go back into our service projects.

Orders should be placed by November 30th. The flowers will be delivered to the Advantage Valley office at 3751 Teays Valley Road in Hurricane (Old Colony/Towers Common Building) during the first week of December.

The flowers are available in three different sizes and five colors (including a new Burgundy Wine selection in 6 ½ and 8 inch sizes only). The price list and order form are included in this email. Additional forms will be available at our next Rotary Club meeting on Tuesday, November 3rd.

You may contact me or my assistant, Lora Andes, by email or phone (304) 760-0950 or FAX your order to (304) 760-0951. While I will be out of the country for 10 days (Nov 6-15), you may email Lora at lora.andes@advantagevalley.com if you have any questions.

Thanks for putting Service Above Self and helping us with this worthwhile project.

Mike Herron
